

Safe Kids Larimer County, in partnership with  
Colorado State Patrol & Car Seats Colorado,  
invites you to join us for

# Get Dumped Day

**It is time to dump those old car seats!**

Around Valentine's Day our thoughts turn to our loved ones, especially our children. Safe Kids Larimer County urges parents and care givers to ensure their children are riding as safely as possible by dumping their old, unsafe car seats and boosters.

*Car Seats Colorado provides a pod to place recalled, expired and/or crashed car seats. These seats are then taken to be recycled. Appointments are **not** needed.*

**Sunday, February 12, 2017  
Noon to 2 p.m.**

Colorado State Patrol  
3832 S. I-25  
Fort Collins, CO
